

Aziz

Full Stack Developer

+92 3450912713 @ aziz.codes44@gmail.com https://aziz-dev.vercel.app/ Lahore, Pak

SUMMARY

Full-Stack Web Developer with hands-on experience in building scalable web applications, management systems, and marketplace platforms. Skilled in designing and implementing end-to-end solutions from database architecture to intuitive user interfaces. Proficient in modern frameworks such as **Next.js, React, Supabase, and Clerk**, with strong command over authentication, API integrations, and database security policies. Adept at delivering user-centric features including real-time collaboration, search functionality, and drag-and-drop interfaces. Highly adaptable, detail-oriented, and committed to building efficient, reliable, and impactful digital products.

EDUCATION

B.S in Computer Science

FUUAST Islamabad

2017 - 2021 Islamabad, Pakistan
